

Figured You Out

[Verse 1]

N.C. C5

And I like the way you still say please

While your looking up at me

I love the powder on your nose

[Chorus]

C Bb
Oooh and now I know who you are
F
It wasn't that hard

Just to figure you out (now I did, you wonder why)
C Bb
and now I know who you are
F
It wasn't that hard
C
Just to figure you out (now I did, you wonder why)

[Verse 3]

It wasn't that hard
